

Alberta Donkey and Mule Club Newsletter, Jan, 2011

Happy Long Ears Everyone! It's the start of a New Year and our List of events is already starting to firm up for the year! So, I'm going to suggest that you take out your brand new calendars and start marking in some of these dates already booked for the Alberta Donkey and Mule Club activities.

Jan 14 -16. Join us at the Alberta Horse Breeders Conference at the Capri Center in Red Deer, AB. Yours truly will be helping in the booth and I hope to be able to visit with many of you there. Please consider attending as there are many wonderful seminars to choose from and most of the information is also applicable to mules and donkeys.
