

Our Demo team of mules at the Mane Event in Red Deer this spring were in fine form! Terry Aris and his well-trained 4 up of mules performed figure 8's, tight circles and maneuvers while Les Sjorgren and his versatile mule Katie did spins and sliding stops to the delight of the crowds. Sixteen year old Nicole Kroetsch and her huge 17.2 hd warm blood mule Doug also thrilled the audience with jumping demonstrations, with saddle and without! Nicole's ability to vault onto Doug bareback was also a show stopper. Sue Wensink and her agile mule Squidge, rounded out the team and even turned out in costume for the final demo. Quickly following the Mane Event was the start of our Jerry Tindell Clinics throughout Alberta and there will be photos and reports in future news. There's no doubt that we will be going full steam ahead with all the events we have planned for the summer. June 15 & 16, we invite ALL BREEDS to our second annual ALL EQUINE SHOW at the Ag. Grounds at Nanton, AB. For a class list or information on more of our events please go to our website [www.albertadonkeyandmule.com](http://www.albertadonkeyandmule.com)
