

ALBERTA DONKEY AND MULE NEWS, MAY, 2013

Riding weather [I hope] is finally here! To “kick off” our season we are once again hosting clinics taught by the gifted teacher and trainer, Jerry Tindell of California, U.S. Horses, mules, donkeys and their owners are signed up for the following clinics: May 2 -5, at the Lakedell Arena, Westeros, AB. May 9 -12 at Forestburg, AB., and May 16 -19 at Eagle Hill Equines, Olds AB. Take advantage of this opportunity to learn from one of world’s best clinicians. Auditors are welcome at all clinics, \$30 per day. Each clinic lasts four full days with startup time at 9 am. Jerry is one of the few clinicians that take the time to address all auditors’ questions and concerns. Visit with Jerry at www.jerrytindell.com

Many of you will also be gearing up for our 2nd Annual All Equine Show, June 15 -16 at Nanton, AB. This show celebrates horses, mules and donkeys and all the people that love them. For show information please contact Alice Todd at 403 646-2624. Many talented volunteers organize this show, guaranteeing it to be an event that you will not want to miss. For more information of the above events and others, check out our website at www.albertadonkeyandmule.com
