

Alberta Donkey and Mule Club News, April 2015

The 4th annual Battle of the Breeds took place at the Saskatchewan Equine Expo in Saskatoon with Team Mule participating for its second year. They moved their placing from their first showing last year to placing 5th overall this year against 8 breeds' total. Members this year consisted of Laureen Kress and her mule Roxy in Barrels who unfortunately placed low after Roxy experienced stage fright with the loud cheering of the crowd. Joe Kress on his mule Annie competed in the Timed Trail class nailing a 4th place after gambling on the extra 100 points by successfully completing the Bonus obstacle which was to back around a barrel while balancing the end of a long pole on the barrel without dropping it. Katherine Cook and her mule Dixie ran a great round in Jumping with a 4th place finish and Les Sjogren and his mule Katie, with only two weeks' notice to prepare, also nailed a 4th place in their Compulsory pattern class. Team Quarter horse came in first overall, with Team Arab second and Thoroughbred in 3rd. Other breeds competing were Canadians, Gypsy Vaniers, Appaloosas, and Paints. Congratulations to everyone that competed. The whole event is always a crowd pleaser and the mules definitely get a big share of the attention!
